EVALUATION MECHANISM FOR ONLINE LEARNING MODE

1. Components of Evaluation and their assessment weightage

Following are the components of evaluation for online mode learners:

- (a) Continuous Assessment (CA)
- (b) End-Term Examination (ETE) (for Theory Courses)
- (c) End-Term Practical/Project (ETP) (For Practical/ Project/ Dissertation/ Term Paper based courses)

Following table summarizes the evaluation components and their weightages for Online Learning (OL) Programmes:

| Course Category | Assessment Weightage | | | |
|---|-----------------------|---------------------------------------|-----|------|
| | Continuous Assessment | | ETE | ETP |
| | Assignments | Academic Participation and Engagement | | |
| Theory only courses | 20% | 10% | 70% | N.A |
| Practical only courses | 20% | 10% | N.A | 70% |
| Practical and theory based courses | 20% | 10% | 40% | 30% |
| Project courses (including Term Paper, Dissertation and Projects) | N.A | N.A | N.A | 100% |

2. Insights into the process and conduct of different Evaluation components

2.1 Continuous Assessment (CA): The continuous assessment of OL learners for each course is done based on two components

(a) Graded Assignments: To assess the performance of OL learners continuously, assignments shall be provided to them through Learning Management System – LPU e-Connect. After downloading and printing of assignment questions, learners are required to write the answers within the prescribed space in their own handwriting, scan and upload the same through CA submission interface of e-Connect as per the stipulated assignments submission schedule. Learners shall be evaluated on the basis of their performance in these assignments.

(b) Academic Participation and Engagement: The assessment of Academic Participation and Engagement component would be based on the participation in scheduled LIVE virtual classes/ pre-recorded video lectures/ Discussion Forum/ attempting corresponding quizzes etc. In order to ensure the academic participation and engagement of online mode learners, the attendance requirement in these activities has been made a compulsory part of Continuous Assessment (CA) component.

Scheme of evaluation of continuous assessment (CA) for OL mode learners is detailed below:

| Particulars | Assignments Component | Academic Participation and Engagement Component |
|------------------------|---|--|
| Number of Assignments | 2 (for each 4-credit course) | N.A |
| Maximum marks | 20 | 10 |
| Marks to be considered | Min. 1 assignment to be submitted by learner. Best marks out of 2 assignments shall be considered for CA. | Marks would be awarded based on the participation in LIVE lectures, watching pre-recorded video lectures, attempting the quizzes given after the video lectures of every unit and participation in Discussion Forum relevant to the course. The learner must attend/participate in minimum of 75% of these activities in order to be eligible to appear in End Term Exam. |

2.2 End Term Examination (ETE): End Term Examinations are conducted as per the schedule stipulated by the university using Online Proctored Examination system.

3. Passing Criteria

In order to achieve pass grade in a course the student must fulfil following minimum conditions:

(a) Theory only course: Score 30% marks in ETE along with 40% marks overall in all components when combined together (CA and ETE).

(b) Theory and Practical course: Score 30% marks separately in ETE and ETP along with 40% marks overall in all components when combined together (CA and ETE)

(c) Practical only course: Score 30% marks in ETP and achieve 40% marks when ETP and CA taken together.

(d) Project/Dissertation/Term Paper based course: Score 40% marks in ETP

CGPA Condition: In addition to the above passing conditions, the learner must achieve minimum overall CGPA of 5 to complete the programme successfully.

Student Career Support

A division of Student Career Services is operating at the university with a vision to equip students with versatile traits to match core needs of the corporate world. This division acts as an intermediate between the corporate world and the university by providing the budding students with guidance in their choice of career and an easy access to employers for providing ample opportunities for Placements. Students are provided with placement support by informing them from time to time about various placement drives at different locations to enable them to avail the opportunities.

Academics, Sports & Cultural Events

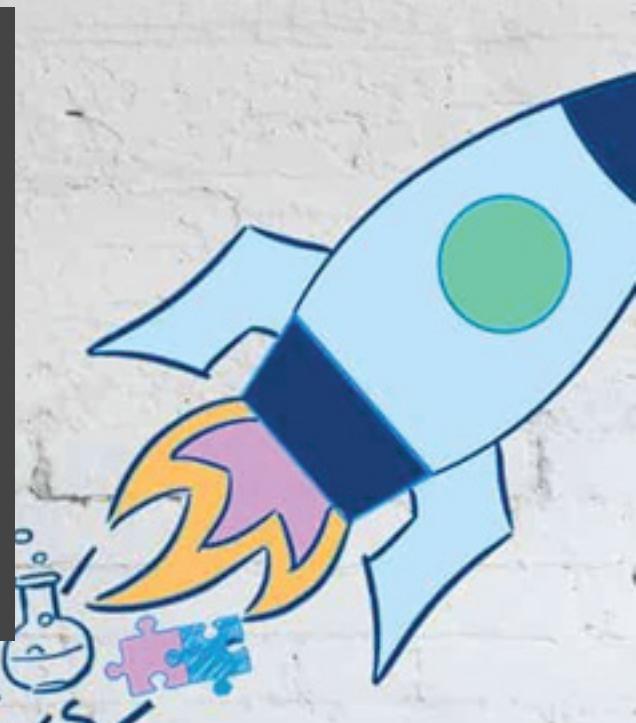

University has a great infrastructure to host international and national level academics, sports and cultural events. The online learners can ignite their passion and showcase their talents and skills by participating in such events of the university attended by high profile dignitaries from all over the world.

Entrepreneurship

To promote entrepreneurial skills of the online learners, University has dedicated team of mentors to assist students who are coming with the business ideas and to provide entrepreneurship training. The guidance given by mentors plays an important role to start a venture.

Students can avail entrepreneurial avenues offered by the university through its incubation centres providing technology support and seed capital, mentoring, industry associations and capacity building programmes.
